FOR IMMEDIATE RELEASE

GolfTEC Franchise Webinars Continue This Spring

The Leader in High-Tech Golf Instruction Offers Free Franchising Webinars

(Denver, CO: 4/26/11): The series of GolfTEC Webinars will continue this May and June giving interested franchisees the opportunity to gain insight into owning a GolfTEC franchise from the comfort of their own computer.

Join Cory Collins, Director of Franchise Sales for GolfTEC as he walks you through an interactive and informative webinar starting May 5 and running every week through June 30. Visit <http://www.golftec.com/info/franchise/webinars.html> to RSVP for any of the Webinars.

- Webinars will outline the GolfTEC business model that was pioneered in 1995 has been documented in nearly 150 locations across the United States, Mexico and Canada. Find out how the GolfTEC approach to golf improvement is fact-based and uses patented g-Swing technology.
- Learn about how our integrated proprietary business system called CaddyMaster streamlines all scheduling, reporting, and point-of-sale and CRM (customer relationship management) functions giving owners the ability to manage real time business decisions hour-by-hour.
- Find out how GolfTEC has implemented a team and support structure to assist franchise owners in their daily business success.
- Learn about GolfTEC University (GTU) and Franchise Training University (FTU) and how these informative and detailed instruction courses equip Coaches, Managers, City Managers and Owners to accelerate the start-up learning curve.
- Turnkey solutions for investors let's you take advantage of your golf industry credentials and their business acumen and financial resources.

For more information about GolfTEC franchising, visit www.golftec.com/franchise.

About GolfTEC

Only GolfTEC has all five of the factors needed for maximum improvement and lasting results. GolfTEC is the undisputed leader in golf improvement, teaching 20% of all U.S. lessons annually and delivering a consistent 95% success rate. Their Proven Path includes Fact-based Diagnosis, Sequential Lessons, Video-based Practice, Advanced Retention Tools, and Precision-matched Clubs. GolfTEC's Certified Personal Coaches have given millions of lessons to more than 250,000 clients and Improvement Centers can be found in almost all major US cities, Mexico and Canada. GolfTEC is the Proven Path to Proven Results. For details, visit www.golftec.com or call 877-4-GOLFTEC.
